

Duck Derby Rules

1. Ducks will be released at random by point person(s) from shore and propelled across the water surface.
2. Point person(s) in a boat will retrieve the winning ducks from the water, with grand prizes awarded to the first, second, and third ducks to reach the boat. Prizes correspond to the order of arrival.
3. The duck numbers will be read aloud, and grand prize winners may collect their prizes that day. If winners are not present at the event, they will be contacted by the PDMCSC via contact information provided during duck purchase.
