

Run the World 5K/10K Race Sponsor Form

Would you partner with me to help local kids who experience abuse and trauma on their path to healing? I am running or walking in the **Run the World 5K/10K** on November 11 to benefit the non-profit *Percy and Donna Malone Child Safety Center*. In addition to race registration fees, sponsorship dollars will be used to provide forensic interviews for children who visit the center. Each donation gives a child a voice; a \$50 contribution will completely fund one interview and all of our collective donations of any amount will add up to support our smallest neighbors.

The Percy and Donna Malone Child Safety Center provides free non-leading forensic interviews, medical exams, family advocacy, trauma-focused mental health therapy, and expert testimony in cases of physical and sexual abuse or trauma in Clark, Dallas, Nevada, and parts of Pike and Hot Spring counties.
